Tended to lay out and eased off heels on home turn and then shifted in to obtain a clear run after passing 200m at Caulfield. Shows liking for this track but extra distance is a query. Soft ground would suit her better than many. Change of rider.

Displayed a great deal of promise earlier this year and didn't have a great deal of luck at first two runs this time in. Ran home over the top of her rivals to win well at Cranbourne and extra distance should suit. A query in soft conditions.

Jumped from wide gate and had to be checked off heels in transit at Flemington and then drew out again and never a factor at Group 1 level last time. Form patchy but she's entitled to be given another chance. Riding change. Blinkers off.

Inclined to shift in but hit line nicely at Hillside track and then always handy before just missing under lights here a fortnight ago. Prospects soar if there's some give in the ground.

**DAYBREAK'S SUMMARY - BENKO split two smart fillies at Hillside and by no means disgraced from wide gate at Group 1 level. BROCKMAN'S LASS displayed promise earlier this year and scored decisively last time. FABIARNA should be competitive provided it's not too wet. DUEL COMMAND and TESTA REALE both like soft ground.**
